## MASTER CARD, VISA, CASH, or PUNCH CARD

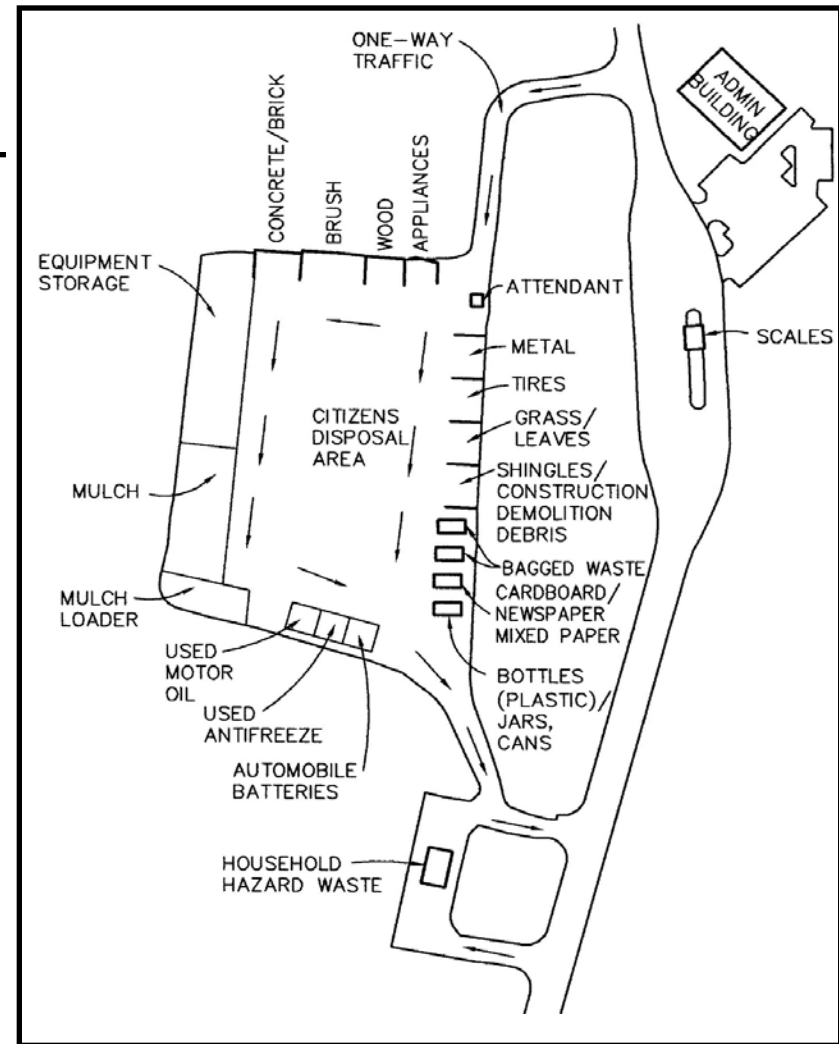

**PUNCH CARD:** The cost is \$40 for \$45 worth of disposal use, which provides a \$5 discount. Punch cards can be purchased at the I-66 Citizen's Recycling and Disposal Facility, the I-95 Landfill, and the County Government Center.

*Customers must comply with the rules and regulations pertaining to the disposal of solid waste. If a customer fails to return to the scales for an empty weight, Fairfax County will estimate the empty weight of the vehicle. Customers will be charged accordingly. If action is necessary to collect the disposal fees, a penalty of \$50 will be added.*

# FACILITY FUNDING

**WHERE THE MONEY COMES FROM:** The I-95 Landfill and I-66 Transfer Station are operated through Special Revenue Funds. Our disposal funding comes from user fees, while the County's general fund pays for programs that do not generate revenues, such as household hazardous waste.

**WHERE THE MONEY GOES:** The revenues received are used to cover operating costs including equipment, personnel, utilities, environmental controls, hazardous waste collection and disposal, and the development of recycling and waste reduction programs.
